Mike – Do you have an email address? I believe that this is a different reviewer than we had on the call, is this correct? Just want to verify – I did not get his last name but I thought his name was Rao ?

Thanks.

Thanks Dave,

Tammara Seshagiri is the NRC employee who needs access.

Mike – The calculation referenced in yesterday's call is uploaded to the SSAR 2.2 folder in the Exelon electronic reading room. I just need the reviewers email address and organization affiliation (i.e., NRC or contractor organization) in order to get him access to the reading room, if he does not already have access.

Thanks.
