Hello Mrs. McMaster

Just a friendly reminder regarding NRC's visit to Paradise Ranch on Friday, Jan 13 @ approximately 8:00am. The NRC team will be in Victoria next week meeting with Exelon and other officials as part of our site audit to gather information for the Environmental Impact Statement. I will give you a call on Tuesday morning to re-confirm as well as arrange final instructions/directions we will need to meet with you and other representatives of Paradise Ranch. If you need to reach me before then, my cell number is 202-315-8386. Also, I will be checking emails so feel free to email me. Again, thank you for accommodating the staff and allowing us to tour the property.

See you next week.
Alicia
