Attachments: NRC Advance Notice 21116-TNI-001-10 signed.pdf

Please see attached notification for a shipment of enriched UF6 from Eurodif France to AREVA Richland, WA.

Please note that this notification is late, in accordance with the requirement to notify the NRC 10 days prior to departure from shipper site.

I have spoken with Clyde Ragland at the NRC and he advised me that there is no need to delay the shipment, since it is scheduled to arrive in the US on December 8th.

Please notify us immediately if this is not acceptable.

Sincerely,
