PEF reps: Monday was previously identified as available for PEF reps in Frank's initial email. That is the day Doug is using for NRC participants. If that's not the case, then please provide one PEF response as to availability for all PEF participants. I suggest providing two days and times (EST) of availability.
Thanks, Don.

PEF, which includes Paul Snead, Robert Kitchen, Amy Dierolf and Frank Matthews, can be available anytime tomorrow 1/27 to discuss the coordination of the FEIS and LEDPA determination except for 9:30 to 10 and suggest 11 am if that can be accommodated by appropriate NRC/COE staff. We will make ourselves available Monday if it needs to be considered as a back- up but we hope the necessary parties can talk tomorrow.

I can supply a conference call in number or individual contact numbers if you prefer to originate the call.
