David J. Wrona, Chief
Projects Branch 2
Division of License Renewal
Office of Nuclear Reactor Regulation

Mr. Wrona,

Following review of the Grand Gulf Nuclear Station License Renewal Application, the Mississippi Band of Choctaw Indians has determined that no comment is required. The Tribe does not currently own property within the proposed project area and has no issue with the plans as described. If changes should arise concerning the project we would appreciate written notification. We thank you for contacting us and affording us the opportunity to review the proposed action and provide comment. If you require anything further please contact me by email at christina.wallace@choctaw.org or by telephone at (601) 663-7514.

Sincerely,

Christina B. Wallace
