

### **13.4 Review and Audit**

The information in this section of the reference ABWR DCD is incorporated by reference with the following supplement.

#### **13.4.1 COL License Information**

The COL License Information item in reference ABWR DCD Subsection 13.4.1 states in part that provisions for the independent assessment of activities for safety enhancement should be provided in accordance with TMI Action Item I.B.1.2. Appendix B to NUREG-0933 indicates that TMI Action Item I.B.1.2 regarding an independent safety engineering group is not a residual generic safety issue that is applicable to operating and future reactor plants. South Texas Project does not maintain an Independent Safety Engineering Group.
