RE: License No. 24-24954-01

Mr. Tran:

We wish to add the following two items to our license renewal application dated January 11, 2012.

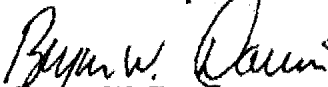

- 1) As specified in the license, all material will be used as specified in the Sealed Source and Device Registry.
- 2) We wish to continue the current total activity levels we can possess at any one time, as outlined below.

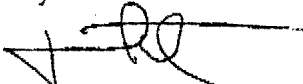

Cesium-137	360 millicuries
Americium-241	300 millicuries
Radium-226	3.9 millicuries

Thank you for your assistance with this application.

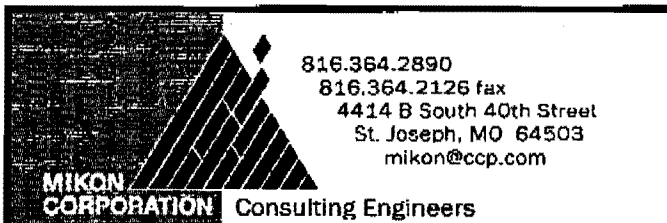

Sincerely,

MIKON Corporation
