Dear Mr. Milano:

Thank you for your letter regarding the Notice of Availability of the draft supplement to the Final Environmental Statement for Watts Bar Nuclear Plant Unit 2 for public comment.

Through your notification the Chickasaw Nation is made aware that the US Nuclear Regulatory Commission is reviewing an application submitted by the Tennessee Valley Authority for an operating license for Watts Bar Nuclear Plant (WBN), Unit 2 located in Rhea County, Tennessee. We are in agreement with the NRC to review the permit.

After reviewing your information, we are in agreement with the assessment and have no objections to the proposed undertaking.
