**Subject:** RE: Notice re attendees at hearing

Dear ASLB,

During last Friday's Prehearing Conference, as noted by Counsel for MOX Services in an earlier email, you requested that the parties provide three types of information this week:

1. New questions arising out of the Board's site visit to the MOX Facility;
2. Any further objections to exhibits offered to date; and
3. List of attendees for the hearing.

With respect to the first request, the NRC staff has no additional confidential questions as a result of the Board's visit.

With respect to the second request, as noted by Counsel for the NRC staff during the teleconference, the NRC staff will not oppose admission of any of the exhibits offered by the parties to date, relating to Contentions 9, 10, and 11.

Finally, the names and office affiliations of the likely attendees from the NRC staff are listed at the bottom of this email. All of the likely attendees from the NRC staff would be permitted access to UCNI and OUO/SUNSI, as it pertains to the MOX Project.

DOCKETED  
USNRC

Cheers,  
Brett Klukan  
Counsel for the NRC staff
