Good afternoon –

Please see the attached and let me know if this works?? And as noted below, we are very appreciative of the process.

Thanks, and have a great day!

Jim

Jim,

Please find attached INL's recommendations for verbiage for the Draft CoC.

We really appreciate the NRC allowing us the opportunity to comment prior to issuing this document. It was a great benefit for us to be involved.

Please contact me with any questions.

Thanks

Don
