Subject: SC Nuclear Power Plant

Mr. Colaeis,

I wish to register a firm NO for the planned nuclear power plant in SC. It is much to close to Asheville where I live and too close to people in general. I realize we need to generate more power but with the safety of nuclear power clearly demonstrated in Japan as dangerous, those funds should be used for solar and wind power.

In sincerity for myself and my husband, my children and all mothers children,

Cheryl Thomas Orengo,
