

DATE: February 16, 2012

MEMORANDUM TO:       Docket No. 030-38294  
  
                              Teledyne Advanced Pollution Instrumentation Inc.  
  
                              E-license  
                              06-23983-01E

FROM:                   Lymari Sepulveda   **/RA/**  
                              Licensing Branch, FSME/MSSA

SUBJECT:                No Changes to the license

Teledyne Advanced Pollution Instrumentation Inc. requested an amendment to the referenced license to change the name to Teledyne Advanced Pollution Instrumentation. The license was not amended as the license already had been issued indicating the requested name i.e., Teledyne Advanced Pollution Instrumentation.
