Subject: DRAFT TIA Response on Seabrook ASR Issue

Marty,

[(b)(6)] and may not have the opportunity to review the draft response, would you mind if I sent the Seabrook **DRAFT TIA response** next week to DPR and Region 1 folks also for parallel review and feedback. Kamal has also understandably indicated he needs more time to review. The Region seems to be eager to get a draft response at the earliest. I would like to get wide feedback on the draft. Please let me know. Thanks. *OK*
