Re: Freedom of Information Act Request

To Whom It May Concern:

This is a request under the Freedom of Information Act.

Fox News is requesting a copy of all documents containing the following information: any documents pertaining to your agency's convention spending from January 1, 2009 - Present. These documents should include information with the location, reason, cost of every out of town convention including hotel stays, transportation costs, meals and any other convention spending covered by the agency as well as the name of the person who approved of the spending. This request should also include any upcoming or planned events that have been scheduled but may not yet have occurred.

In order to help to determine my status, you should know that I am a representative of the news media affiliated with Fox News Channel and this request is made as part of news gathering and not for a commercial use.

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. In lieu of the latest GSA spending story, I feel it is important information to see how other agencies are spending taxpayer money on convention spending.

Thank you for your consideration of this request.

Sincerely,

Paige R. Dukeman
