Dear Mr. Bangart:

As per your request of April 13, this letter is written to assure you that no activities as described in License No. 35-00502-05 are being performed or will be performed. Current activities are limited to clean-up and storage operations of residual radioactivity resulting from the decontamination and volume reduction of the Fort Calhoun fuel racks.

If you have any questions regarding this assurance, please let me know.

Very truly yours,

R. L. Bechtel
