Hey Tim!

I think we're all set for now but will let you know if anything changes.

Subject: NRC: Info update?

Matt,

Does your office need any information on Palisades? The NRC conducted a public meeting last week to provide information regarding the maintenance issues that have occurred at the plant recently and to outline the increased oversight and inspections we would be providing. If your office would like any information on the public meeting or anything else, please let me know.

Thank you,

Timothy Riley
