Thanks Tim!

Not sure that the Senator can make it, but I did mention to our scheduler and regional manager. Can you please keep us in the loop as the visit comes together? We might try and have someone attend if they're available.

Thanks!

Matt

Subject: NRC Chairman visit to Palisades

Good morning,

Chairman Jaczko is putting together plans to visit the Palisades Nuclear Plant late in the week of April 2, 2012. If I'm not mistaken, the Senate will be in recess that week and the next, due to the Passover and Easter holiday break. If your office is interested in participating in the visit, please let me know and I will work with the schedulers.

Thank you,

Timothy Riley
