Attention: Radioactive Materials Licensing

Subject: Radioactive Materials License Number 29-02477-01

SGS U.S. Testing Company Inc., formally United States Testing Company, Inc., would like to terminate its Radioactive Materials License (attachment A) as the result of the following actions:

- **Item 6. A. Nickel 63**

These sources have been transferred to the manufacturer's (Hewlett-Packard) General License (attachments B, C & D).

- **Item 6. B. Carbon 14**

This material which had been stored at our facility was transferred back to its original owner (Rhône-Poulenc) who made arrangements for its disposal (attachment E).

Thank you for your attention to this matter. Should you require additional information or clarification, please do not hesitate to contact me.

Thank you.

Sincerely,

Lee H. Fredericks
Radiation Safety Officer
