Cara –

Thanks for your inquiry. The NRC has not issued the FSER. We are re-evaluating the schedule and expect to issue a revised schedule that extends the safety review. I expect that the schedule decision will be made later this month.

When NRC issues the FSER, it will be immediately available in an electronic format downloadable from the NRC website.

Thank you
Don

Hi Cara -

I'm sorry for the delay in responding to this e-mail. I'm on an assignment outside of the NRC and won't be back until the middle of next year.

Don Habib has taken over for me and can update you on the status of the Levy FSER.

Thanks,
Brian

Hi Brian,

Was the FSER issued? If so, are you the one to ask for copies?

Thank you.
