Per your request in Mail Control No. 577173, I am requesting that the U.S Nuclear Regulatory Commission Materials License No.11-29230-01, expiration date June 30, 2016, Docket No. 030-37202 be amended in the following areas:

- A. Please retract our request to add a storage location to our license at W. Hackemore Drive
- B. The Radiation Safety Officer for this license to be Timothy W. Bentley.

I have attached the previous letter dated March 20, 2012 for your reference. Also included is Mr. Bentley's Radiation Safety Officer training certificate.

I appreciate your attention to this matter. If you have any questions or require further information please call me at 208-466-5001.

Sincerely,

Robert Von Lintig
