SUBJECT: PUBLIC MEETING SUMMARY – REGULATORY CONFERENCE FOR
TRANSCO PRODUCTS INC.

Dear Mr. Wolbert,

On May 31, 2012, representatives of Transco Products Inc (TPI) met with the U.S. Nuclear Regulatory Commission (NRC) personnel at NRC headquarters located in Rockville, Maryland, to discuss the apparent violations identified in NRC Investigation Report No. 3-2011-005. The conference was held at the request of the Office of International Programs (OIP) by letter dated March 30, 2012, subject: "U.S. Nuclear Regulatory Commission Investigation Report No. 3-2011-005; Transco Products Inc."

A public meeting notice was issued on May 15, 2012, and was posted on the NRC's external (public) web page (ADAMS Accession No. ML12131A430). The meeting notice and meeting agenda (Enclosure 1) were available as handouts at the meeting.

Meeting discussions included: (1) opening remarks and introductions by the OIP acting Deputy Director, Mr. Stephen Dembek; (2) enforcement policy presentation by the Office of Enforcement; (3) statement of apparent violations by the OIP Export Control and International Organizations Branch Chief; (4) presentation by TPI representatives (ML12156A253) providing their differing position regarding NRC jurisdiction over their products, a summary of the causes for the apparent violations and their corrective actions; and (5) closing remarks by S. Dembek. Six members of the public attended the meeting and were afforded an opportunity to comment at the close of the meeting, but declined to provide comment.

The attendance list is included at Enclosure 2. The licensee's presentation is available at ML12156A253.

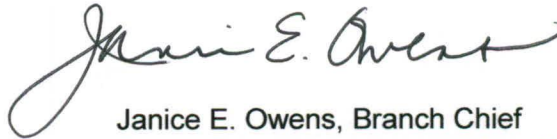

E. Wolbert
