OK, then the Scoping and Screening RAls will be issued tomorrow.

The RAls I mentioned were a few from the Fire Protection scoping section. I should be able to send them on tomorrow.

Rob,

1. On your earlier voice message, you mentioned something about additional draft RAls. I assume they may be the ones from Raj's group? Do you want to discuss this further today, or will you be in to discuss tomorrow?
2. I got your e-mail related to DRAI 2.1-7 and understand your point – no problem. At this point, I have spoken with people here and I don't think we need a phone call – we understand and will just answer the question. Therefore, you should be able to move on toward issuing the Scoping/Screening Methodology audit package, which now contains 7 RAls.
