Rob,

We were having some pre-discussion this afternoon regarding the DRAIs we will discuss tomorrow, and we decided we really don't need clarification on one of them, that is DRAI B.2.1.2-1 on Water Chemistry. Please inform the reviewer so he/she doesn't waste any time. Thanks.

- John.

I have the meeting notice all ready with a bridge line, just waiting to see if you were good on your end. You should see it momentarily.

Yes – Rob. 11 AM should be good for tomorrow. Do you want to send out a meeting notice with the call in number? I could also do that if you prefer.

- John.

That is correct, I apologize.

Do you know if 11 am will work for tomorrow?

Rob,

Chris' schedule shows that the call was on Wednesday, 12/14? The Exelon participants were:

Gene Kelly, Christopher Wilson, Shannon Rafferty-Czincila, Mark Miller, James Jordan, Ronald Hess, John Hufnagel, Mary Kowalski, David Clohecy and Wayne Choromanski.

John and or Chris,

We held a phone call on 12/13/11 to discuss scoping RAls. That call resulted in the RAls being edited for clarification. Can you please forward to me a list of Exelon participants on that call?
