Hi Rob and Lisa

I am back from vacation and I see that the Limerick LRA was deemed sufficient. Great news!! I noted the comments in the letter around the "LGS environment of air-indoor, uncontrolled" and we are investigating that issue. I will probably call you tomorrow to gain any insights you may have.

Lisa if you have any question in the Environmental arena please contact me while Nancy is on vacation.

I also noticed you had posted the "web" version of the LRA up on your website which looks a lot better.

I received from the station the draft NRC region 1 inspection schedule and it shows the NRC regional inspection (71002) occurring on the weeks of 6/8/12 and 6/18/12.

Thanks

Chris
