Hi Rob

A couple of things

As you stated this morning if Billy can get any plans to me this week it would be helpful. Also if we can get the list of people coming to the audit this week it would help out our security/Badging/Access folks. (Even if it's a partial list)

You mentioned you would be coming up on Thursday 9/22 for the LR overview/Environmental Public Scoping meeting. Would you be amenable to dropping in on the Scoping and screening audit so we could discuss the AMP audit details? We did this during the Salem & Hope Creek Scoping and screening audit and it was very beneficial to all involved and would probably eliminate a phone call....something for you to consider.

Thanks Chris
