Hi Rob

I inadvertently left off B.2.1.40-4...we would like to discuss that RAI as well

Chris,

It looks like 2 pm should work. I am double checking with the staff. I will send out a meeting notice with the call in information when I get confirmation we are good. It should be by 10 am.

Rob

Rob

The revised RAPB/AMR rev 2 package you sent to us today looks good and we have no more comments.

Regarding the Structural/Electrical DRAI package we do need a call regarding the following DRAIs. Anytime after 2pm on Thursday or Friday morning is good for us

B.2.1.30-2
B.2.1.31-3
B.2.1.32-3
B.2.1.35-1

B.2.1.40-3
B.2.1.41-1
B.2.1.41-2

Typos we noticed:

o Typo: B.2.1.40-2, Background, 7th line, "front half of quotations needs to be added for Electrical Penetrations

o Typo: B.2.1.40-2, Request, at end of paragraph, prior to period, close parentheses started on 3rd line of paragraph following "component types."

Thanks Chris
