Subject: Rui Li Request and John Hufnagel contact information

Rob

Saw you email and was not aware of Rui Li's request.

I have provided my expectations to our LR team as well as the site Regulatory Assurance group that I get notified immediately of these types of requests so I can coordinate through you.

I think the site was trying to be responsive to an NRC request but was not aware of the protocol.

As a secondary note, here is John Hufnagel's contact information and I also cc'd him on this email (for his awareness) so you have his email address. I will be out of the office commencing on Monday December 19th and will be back in the office on January 5th
