Rob
Preliminarily we are quite confused over a couple of these DRAIs especially the first and last one
We would like to have the call on Wednesday morning and if possible would like to have NRC management on the call.

Thanks Chris

I will check staff availability and get back to you. I would prefer another day, but if that is not possible it could possibly take place Wednesday. Is there any way to do it Monday?

Rob
Just found out some of our people are not available on Tuesday. Can we make it late Wednesday morning?

Chris,

Attached is a DRAFT Request for Information that the NRC staff is preparing to issue related to the Limerick Generating Station license renewal application. If Exelon would like clarification on the attached let me know and I will arrange a teleconference with the staff.
