RE: *City of Roseville Employees Retirement System, et al. v. Energy Solutions, et al.*,
Civil Action No. 1:09-cv-08633-JGK (S.D.N.Y.);
NRC File No. TR-12-03.

Counselor;

This office has received your letter dated June 7, 2012. After reviewing the letter, we find that it complies with the requirements of 10 C.F.R. § 9.200, *et seq.*, and have re-opened NRC File TR-12-03.

Unfortunately, some of the personnel who performed the NRC review of the Energy Solutions petition, have retired; however, my initial understanding is that the person who performed the review on the DC Cook exemption request is still employed by the NRC. We will initiate a search for the documents specified in your request, but I would like to take this opportunity to note that many of them, if in existence, may be subject to the Deliberative Process Privilege.

I will be in touch with you shortly to discuss this matter further.

Sincerely,

/RA/

Charles E. Mullins
