Coquí RadioPharmaceuticals Corp. is providing the following information in response to the NRC communication of June 1, 2012 requesting information on our plans for the submission of the application for both reactor and production facilities.

- Under provision of Title 10 of the Code of Federal Regulations (10CFR) Section 2.105(c), Coquí RadioPharmaceuticals Corp. intends to submit a single application.
- Coquí RadioPharmaceuticals Corp. intends to submit its Environmental Report separately from the application in accordance with 10 CFR 2.101 (a-1)(1).

■ Coquí RadioPharmaceuticals Corp. intends to submit its Environmental Report in  
■

- Our application, Environmental Report submission and expectation of receivership of a construction permit by the NRC are subject to timely and successful placement of external funds and board of director's approval respectively.

■ As per conversations with NRC staff and as per our analysis, we estimate receipts of a construction permit by the NRC ■
