MEMORANDUM TO: Roy P. Zimmerman, Director
Office of Enforcement

FROM: Brian W. Sheron, Director **/RA/**
Office of Nuclear Regulatory Research

SUBJECT: TRANSMITTAL OF DELIVERABLE "INDEPENDENT
EVALUATION OF INPO'S NUCLEAR SAFETY CULTURE
SURVEY AND CONSTRUCT VALIDATION STUDY" IN
SUPPORT OF USER NEED OE-2010-001

The Office of Nuclear Regulatory Research (RES) is pleased to submit the enclosed paper, "Independent Evaluation of INPO's Nuclear Safety Culture Survey and Construct Validation Study," to the Office of Enforcement (OE) in support of the OE user need request for expert assistance to the external safety culture working group, dated October 15, 2009, to which RES has assigned the number OE-2010-001 for tracking purposes. Specifically, this deliverable (ML092040264) satisfies the request to conduct an independent confirmatory analysis of INPO's safety culture construct validation study. During this project, RES worked closely with staff in OE and the external safety culture working group by providing technical expertise and research support.

RES has shared a draft of this product with your staff, and all comments have been addressed.

RES has established an online quality survey with which user offices can evaluate the usefulness of RES products and services. This survey can be found at <http://portal.nrc.gov/edo/res/OfficeWide/RESQualitySurvey/Lists/RES%20Quality%20Survey/NewForm.aspx?Source=http://portal.nrc.gov/edo/res/OfficeWide/RESQualitySurvey/default.aspx>. If your office has not yet completed this brief survey, I would appreciate your support in ensuring its completion (which will take about 5 minutes) within the next 10 working days.

If you have any questions or comments, please contact Stephanie Morrow of my staff.
