Subject: RE: Bridge Line Number for Fermi Public Meeting

David,

The bridgeline information is below:

Passcodes/Pin codes:

Participant passcode: 35096

For security reasons, the passcode will be required to join the call.

Dial in numbers:

Country	Toll Numbers		Freephone/ Toll Free Number
USA			888-790-4090

Restrictions may exist when accessing freephone/toll free numbers using a mobile telephone.

In-Conference Features:

All participants must use a touch-tone phone to participate in an Audio Conference. The following features are available for you to use on your phone during an active conference:
--

- ◆ Press *0 operator assistance (small fee may apply)
- ◆ Press *6 mute/unmute individual line

Subject: Bridge Line Number for Fermi Public Meeting

Jerry,

Can you provide the bridge line number and passcode to call in to the public meeting with DTE on June 14, 2012? We have received the same Fukushima related CEUS RAI on our ESP application and would like to listen in on the meeting. Please contact me if you need any further information regarding this request.

Thank you,
Dave Robillard
