Subject: US NRC Letter Dated May 24, 2012
Docket No. 99900250

Dear Mr. Roach:

B.F. Shaw, Inc. is in receipt of the subject letter and we offer the following:

R365 Modules:

The Module assemblies for Vogtle Unit 3 and VC Summer Unit 2 will take place during the months of July and August, 2012.

ASME Section III Pipe Spool Fabrication:

The pipe spools for ASME Section III are scheduled to be in full production the week of 20 August 2012. There will be ample spools in production from this point forward for your team to evaluate the effective implementation of the B.F. Shaw, Inc. Quality Program as it pertains to Appendix B to Title 10 of the Code of Federal Regulations 10 CFR Part 50 and 10 CFR Part 21.

If I may be of further assistance in this matter, please do not hesitate to contact me at your convenience.

Sincerely,

Joe Harrison
General Manager
