**Subject:** Response to OIG Request for Input into Fiscal Year 2013 Annual Plan (G20120394/EDATS: OEDO-2012-0329)

Stephen,

In response to your June 6, 2012, request for participation in recommending topical/specific areas to be examined by the Office of the Inspector General (OIG) during FY 2013, the Office of the Executive Director for Operations (OEDO) provides the following area for OIG examination:

### NRC's Use of the NewFlex Program

The NRC recently made the NewFlex program available to NRC employees. An independent review of NRC's use of the NewFlex program would prove valuable in determine the following:

- (1) If the NewFlex program complies with relevant law and OPM guidance,
- (2) The adequacy of internal controls associated with the NewFlex program, and
- (3) If the NewFlex program guidance adequately addresses unique situations (e.g., drug testing, business travel, event response, etc.)

Thank you for providing OEDO the opportunity to participate in the process for identifying the areas for inclusion in the OIG's FY 2013 Annual Plan.

Best Regards,

*Jesse A. Arildsen*
