**GE-HITACHI GLOBAL LASER ENRICHMENT’S PREFILED TESTIMONY AND
EXHIBITS ON TOPICS 2B, 4, AND 6**

On May 16, 2012, the Atomic Safety and Licensing Board (Board) in the above-captioned proceeding issued its “MEMORANDUM AND ORDER (Identifying Areas for Prefiled Testimony).” In that Memorandum and Order, the Board identified six general topics, with subparts, on which the parties were to submit prefiled testimony and exhibits. The Board also encouraged the parties to coordinate their testimony to avoid repetition, and directed the parties to submit the prefiled testimony in exhibit form, under oath, so that it is suitable for receipt into evidence.

In accordance with the Board’s direction, GE-Hitachi Global Laser Enrichment LLC (GLE) has cooperated and coordinated its prefiled testimony with the U.S. Nuclear Regulatory Commission (NRC) Staff to the extent practicable, given the schedule for submission of prefiled testimony and exhibits. On June 18 and 19, 2012, GLE filed prefiled testimony and associated exhibits on Topic 1 and Topic 5, respectively. Today, GLE is providing prefiled testimony and

associated exhibits responsive to Topics 2B, 4, and 6, which completes GLE's submission of prefiled testimony and exhibits in preparation for the upcoming evidentiary hearing.

Respectfully submitted,

Executed in Accord with 10 C.F.R. § 2.304(d)
