John,

My best recollection is that I told Don Ferencz and Philip Harrigan that if they chose to participate as interested parties, their name and address would be published and they were o.k. with that. However, I do not have anything in writing that confirms the details of those discussions. If you are concerned, you could always call them and verify their consent.

Subject: List of Fermi 1 Potentially Interested Parties

Hi Randy,

Could you please reply to this e-mail confirming (per our phoncon just now) that you asked Don Ferencz and Philip Harrigan (former Fermi 1 employees) when you talked to them, if they agreed that

their home addresses could be made publicly available and they said Yes (so I can have a written record)? (The subject list is publicly available in ADAMS.)

Thanks much,

John
