SUBJECT: APPRECIATION FOR SUPPORT PROVIDED BY THE DEPARTMENT OF
ENERGY DURING EAGLE HORIZON 2012

Dear Mr. Cerrone:

As Continuity Coordinator for the U.S. Nuclear Regulatory Commission (NRC), I am writing to express my appreciation for the support provided by the Department of Energy (DOE) during Eagle Horizon 2012, the full-scale, interagency continuity exercise conducted June 19-20, 2012. DOE staff once again contributed to the success of an important continuity of operations exercise by conducting a highly professional review of NRC's continuity program, in accordance with the requirements of the Federal Emergency Management Agency National Continuity Programs and National Exercise Programs. As always, DOE's evaluation was fair, thorough, and informative.

Please express the NRC's appreciation to Mr. Avery Church and, in particular, to Ms. June Pauley of your staff. Despite challenging schedule conflicts and previous commitments, their personal and professional dedication to the external evaluation task allowed the NRC to meet all of its exercise reporting requirements.

Please contact me at 301-415-8003 or Mr. Frank Collins at 301-415-6359 if you have any questions.

Sincerely,

/RA/

James T. Wiggins, Director
Office of Nuclear Security and Incident Response
