Dear Sir,

After a period of inactivity in the treatment of prostate carcinoma with radioactive seed implantation and an evaluation by all personnel and physicians involved it has been decided to request an amendment to our current NRC license.

Accordingly we request that the authorization under our current license for, "Any manual brachytherapy procedure permitted by 10 CFR 35.400, for which the patient can be released under the provisions of 10 CFR 35.75." be removed. Remove the possession of, "Any byproduct material permitted by 10 CFR 35.400. We would also request that John McDay, MD be removed as an authorized user.

Thank you for your attention to this matter.

Sincerely yours,

Thomas W. Huebner, Chief Executive Officer
