Dear Ms. Binkholder:

I am writing in response to your June 18, 2012 invitation to be a guest keynote speaker again this year at the 2012 Nuclear Information Records Management Association Nuclear Information Management Conference. I accept your gracious offer and look forward to presenting my views and perspective on the Nuclear Regulatory Commission's (NRC) records management modernization program and enterprise discovery initiative. Additionally, I plan to speak to current and future efforts by the NRC to fulfill the goals established in the Administration's "Open Government" and "Digital Government" strategies and their impact on NRC records.

My staff will be contacting you in the near future to discuss any particular requirements especially those associated with the need for slides and/or handouts. Thank you.

Sincerely,

/RA/
