John--

I hope you are doing well. Very hot with numerous fires here, it looks to be a long summer. As you requested on May 9, please find the attached, NRC compliant pdf files providing non-confidential versions of TR RAI Response Figures 3.2-6 and 5.7-2. If you have any questions or concerns please feel free to call anytime. Take care and I hope that the draft Ross license development is proceeding well.

Respectfully,

Ben
