amendment request  
regarding  
correspondence

(NOTE: This will be used as the  
Documents Title in ADAMS)

While processing an amendment request to add change RSO, the licensee also requested what appeared to be a change of address. Reviewer contacted licensee management for clarification. The Safety Manager, Mr. McNeil confirmed that he did not wish to change address listed on the license (which is the main office), but he wants the RSO to be cc'd on all correspondence regarding the license.

Action Required: Update LTS sheet to document that licensee requests that all correspondence is CC'd to RSO
