Subject: Inspection Exit Meeting
(NOTE: This will be used as the Documents Title in ADAMS)

I called Mr. Rodriguez to conduct the final exit meeting for the on-site inspection conducted May 24, 2012.

I asked Mr. Rodriguez if he had submitted or was intending to submit the information we discussed during the inspection, to which he replied, "No, I haven't sent it in yet. We were waiting until the refresher training and annual audit had been completed."

I mentioned to him that we were going to issue a letter with three minor violations. The violations were: 1) the failure to conduct a semi-annual inventory; 2) the failure to conduct a program audit annually; & 3) the failure to provide required HAZMAT refresher training. He replied that the inventory had been started and the program audit and HAZMAT training would be provided by a consultant.

I reminded him that he needed to respond in writing to the NOV. he agreed and would submit the required response at that time.

I thanked him for his time, the corrective actions taken to date, and ended the call.
