

# **Follow-up From June 14, 2012 Meeting**

June 26, 2012

# Topics

---

## ✧ Dam Failure – 2 issues

- ✧ Flood induced loss of UHS must be addressed (DS Dam Failure)

- ✧ Current methods / guidance for ESP / COL's does not exclude screening out of dam failure for some failure modes

- ✧ Limited precedence in COL \ ESP
- ✧ White paper
- ✧ Need consistent method and application

# Topics

---

## ✧ On-site Storage Tank Failure

- ✧ Not part of Tier 1, 50.54(f) response
- ✧ Is included in Tier 3 seismically induced floods and fire.
