Subject: Additional information for amendment request
(NOTE: This will be used as the Documents Title in ADAMS)

This record represents a series of communications on the date listed above.

I asked the following:

- Is it correct that the new office will have a lockable hot lab room rather than a hot lab area in a camera room?
- Will the equipment currently in the hot lab area of the New Haven office be moved to the new location?
Please provide a copy of the intended layout of the hot lab and its contents.

Peter agreed to provide this information.

Action Required: Await information, then issue amendment
