Mr. Elder:

Enclosed is the list of Waste Disposal Licensees. I hope it will be of some help to you.

If you have any problems disposing of the unit, please call me at 312/790-5735. I would like to be able to retire your license file in the next few weeks and this can not be accomplished until you have disposed of the material under your NRC license.

Sincerely,

Rose M. Pankratz
