- 8) Any protective clothing provided to Squibb personnel in the Radiopharmaceutical Operations and/or Medotope facility at Squibb between 1969 and 1989;
- 9) Any exposure to radioactive material by personnel at Squibb, between 1969 and 1989, that exceeds the ANSI standard of 25 mrem/yr;
- 10) Sickness of Squibb personnel potentially related to exposure to radioactive material; and
- 11) Harry J. Bartlett, an employee of Squibb.

As provided under the FOIA, we expect to receive a reply within twenty (20) working days. In the event that a determination is made that some or all of the documents requested are exempt from disclosure under the FOIA, please identify those documents withheld and the basis for the departments' exemption in each instance. Additionally, if for any reason the requested information is not in your possession, please so advise and indicate, if possible, where such information can be obtained. We are requesting that any responsive documents be compiled at our expense not to exceed \$500. If documents exceed \$500, we suggest an index be created so that we may highlight and identify which documents we are interested in reproducing.

Thank you for your attention to this matter. Please do not hesitate to contact me at 312-784-5462 with any questions.

Sincerely,

HINKHOUSE WILLIAMS WALSH LLP
