

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION
BEFORE THE COMMISSION

In the Matter of:

COMBINED OPERATING LICENSE
APPLICATION OF THE
GRAND GULF NUCLEAR PLANT
UNIT 3

Docket No. 52-024-COLA

**STANDING DECLARATION IN SUPPORT OF
BEYOND NUCLEAR
REQUEST FOR HEARING AND LEAVE TO INTERVENE**

Under penalty of perjury, I, Kos Kostmayer declare as follows:

1. My name is Kos Kostmayer
I live at 9433 Fisher Farm Rd Vicksburg MS
My home lies within 30 miles of the GRAND GULF nuclear power plant. 39180

2. I am a member of BEYOND NUCLEAR.

3. I am concerned that the generation and storage of spent reactor fuel at the proposed GRAND GULF UNIT 3 poses the risk of environmental contamination as well as a serious accident involving radiological releases to the environment. Therefore, I am concerned that spent fuel generation and storage at the GRAND GULF UNIT 3 site will jeopardize my health and safety and that of my family and the value of our property. For the same reason, I am also concerned that the granting of a combined construction and operation license for GRAND GULF UNIT 3 will have an adverse effect on the health of the environment in which I live.

4. Therefore, I have authorized BEYOND NUCLEAR to represent me before the U.S. Nuclear Regulatory Commission the combined operating licensing proceeding for GRAND GULF UNIT 3 with regard to the assessment of the environmental impacts of spent fuel storage as ordered by the U.S. Court of Appeals in *State of New York v. NRC*, Nos. 11-1045, on June 8, 2012.
