Docket 40-9068, License Number SUA-1598**

Dear Mr. Satorius,

Lost Creek ISR, LLC ("LCI") recently acquired additional Bureau of Land Management Claims immediately east and contiguous with the Lost Creek Project. With this letter, LCI is notifying the NRC of our intent to submit an amendment request to the current Lost Creek License to include in situ uranium recovery from the LC East claims. We anticipate concluding the collection of baseline data in the summer of 2013 and submitting the amendment request in October of 2013.

If you have any questions regarding this submittal or require additional information please don't hesitate to contact me at (307) 265-2373.
