Subject: Questiona in Preparation for the Seismic Audit June 18th

Hi Bob:

I left a voice mail and I am following up with this email.

Have a few questions:

1. What is the Street address of the Raleigh NC Offices where we will be meeting for the June 18-20 Seismology Audit?
2. How far is the office where we will be meeting from the Airport?
3. Are there hotels near the office where we will be meeting?
4. Do you plan on providing (submitting) the draft NTTF RAI 2.1 response? If so, when?
5. I have a question regarding the preliminary results – so we can determine if structural staff should be attending the audit- I would like to talk to you. Please call me today if you have the chance. I will be available from 1pm – 4pm.

Thank you.

Look forward to hearing from you.

Amy
