Good morning,

I just wanted to let you know that you may be contacted by our IT department in reference to your upcoming trip to our office in Raleigh. I understand that you mentioned that you would not need internet access, we just wanted the option available for you. Please understand that you do not have to use it.

Typically IT will send an email with your username and they will call you with your password. Should you have any questions feel free to contact me or Bob Kitchen.

Thank you.

Dana Rose
